NOTICE

This is to inform you that Jenna Lanier is no longer with the Board of Massage Therapy and has accepted a new position. We wish her well in her new adventure and she will truly be missed. I am currently training a new licensing specialist to handle applications and licensing and apologize for the delays you have experienced in the last few weeks. I hope to have licenses issued by Tuesday and once applications are approved in the new licensing system, the website is automatically updated with a new expiration date. All licenses will be mailed out by the end of next week.

I do appreciate your patience during this time of transition. Please email me at massage@alstateboard.com or keith@alstateboard.com for any immediate assistance and I will provide an answer or guidance regarding any issues you may be experiencing outside of the above mentioned process. Thank you and hope you all continue to stay safe and healthy.

Keith E. Warren
Executive Director
